Directions

Start on Baldovan Road and walk straight up it, away from the roundabout, towards Strathmartine Hospital. Walk on through the village of Bridgefoot, then back north to join up again with Strathmartine Road.

Points of Interest

- An almost country walk. Look out for kingfishers, herons, buzzards, woodpeckers and even roe deer, by the Dighty Burn.
- The Dighty valley view, passing by old mill cottages. Craigmill was a 'meal mill' operated in the past by Grants Oatmeal.
- A pictish stone was discovered in the old cemetery in Bridgefoot. It is now in the collection of McManus Galleries.
