

Explorer Road

Distance: 1 mile
Time: 20 minutes
Grade: 1

Explorer Road

Directions

Start on the corner of Strathaird Place and Mallaig Avenue. Walk down the path in front of you and turn right at the end. Follow the path along and take the third turn off to your left. This leads down to Explorer Road. Turn left onto Explorer Road and follow it all the way along to the roundabout at the end. Just before the roundabout, a path leads off to your left. Follow it back to Strathaird Place.

Points of interest

- For a longer walk follow the green circular signs to your right, instead of walking back to Mallaig Avenue, and link this to the Invergowrie loop.
- This follows the route of the railway line that used to go to Newtyle through Downfield.
