

**2 LOCAL PLANNING REVIEW LR6/11 (AN 108-2011)**

**Planning Application 10/00642/FULL- Land Northwest of Filling Station, Forfar Road, Dundee- Installation of Streetworks Monopole supporting three O2 antennae and three Vodafone antennae within the top shrouded section (overall height 15m AGL), one ground based equipment cabinet, and ancillary development.**

Review documents have previously been circulated and are on deposit at Support Services Reception, 4th Floor, 21 City Square, Dundee. Copies will also be available at the meeting.

The Review Body is asked in terms of the Local Review Procedure Regulations:

- (a) to consider whether the Review documents provide sufficient information to enable them to determine the review and, if so, whether they wish to determine the review without further procedure, or
- (b) if the Review Body do not wish to determine the review without further procedure, to determine the manner in which the review is to be conducted in terms of the Local Review procedure Regulations.
