

### **13 SWIMMING LESSON PROVISION (AN117-2004)**

The Leisure and Arts Department children's swimming lessons has benefited from Quality of Life funding which has enabled swimming lessons to be provided at a cost of £1.00 per lesson and generated significant increases in levels of participation.

It is recommended that following the removal of this external funding the swimming lessons charge is set at £2.00 per lesson, a reduction of 50p on the standard charge and a charge consistent with Communities Department provision.

It is anticipated that continuation of a discounted charge will enable the existing participation levels to be sustained at a level which will not significantly compromise the income.
