

17 DUNDEE CITY COUNCIL (CENTRAL WATERFRONT - SOUTH MARKETGAIT/GELLATLY STREET/TRADES LANE JUNCTIONS - ASSOCIATED TRAFFIC REGULATIONS) ORDER 2009 (AN119-2009)

Reference is made to Article X of the minute of meeting of the Planning and Transport Committee of 8th December, 2008 wherein the Committee authorised the preparation of an Order. As part of the Central Waterfront Development, South Marketgait is to be realigned and a major access/egress for City Quay the junctions of South Marketgait with Trades Lane and Gellatly Street are to be created. This requires those junctions to be rearranged. Improved pedestrian crossing facilities at the South Marketgait/Trades Lane junction are to be provided. The consequence of this is that traffic movements in the area have to be altered.

The proposed Order was duly drafted and during the statutory consultation period no adverse comments were received. It has been recommended that an exemption for heavy goods vehicles servicing premises in the streets and for removals should be included in this Order.

The Committee is therefore requested to authorise formal publication of the Order subject to this amendment.
