

**9 CONFIRMATION OF TREE PRESERVATION ORDER - 7 HILL ROAD, BROUGHTY FERRY
(AN130-2002)**

Members are asked to note that on 6th February, the Council made a Provisional Tree Preservation Order on the above-mentioned site. The order sought to protect the two individual trees within the garden ground of the property and a woodland area adjoining the said garden ground. This level of protection was thought necessary to preserve the arboreal amenity provided by these trees.

The Committee is asked to authorise the Director of Support Services and the Director of Planning and Transportation to undertake the necessary procedures and confirm the Tree Preservation Order.
