

10 CONFIRMATION OF TREE PRESERVATION ORDER, 28 LONG LANE, BROUGHTY FERRY (AN131-2002)

Members are asked to note that on 6th February, the Council made a Provisional Tree Preservation Order on the above-mentioned site. The order sought to protect the trees within an area of ground that was to be developed for housing. This level of protection was thought necessary to preserve the arboreal amenity provided by these trees.

One representation on behalf of the owner was received noting that Tree No T2 has already been granted consent for removal.

The Committee is asked to authorise the Director of Support Services and the Director of Planning and Transportation to undertake the necessary procedures and confirm the Tree Preservation Order subject to the modification that Tree Preservation Order No T2 be deleted therefrom.
