

## **7 UNADOPTED FOOTWAYS (AN157-2007)**

On the instruction of the Administration it is proposed that the Capital Budget for Unadopted Footways be increased by £300,000 per annum over the financial years 2007/08, 2008/09, 2009/10 and 2010/11. This will be funded from savings arising from slippage within the Council's overall Capital Plan.
