

3 REAL LIFE OPTIONS LEASE OF PROPERTY (AN17-2008)

Approval is requested to lease accommodation to Real Life Options. At present it is intended to lease one property to the organisation with any further requests dealt with as appropriate by Officers

A request for housing has been received from Real Life Options external organisation requesting to lease accommodation from Dundee City Council to provide support to one of their clients. Real Life Options will pay the rental charge on the property which, in this case, will be flatted accommodation.

Real Life Options are a specialist service provider with a national reputation and experience, skills and expertise in providing support for people with learning disabilities and high support needs. Social Work Department are currently finalising the accreditation process for this national organisation who already provide services to other Scottish Local Authorities.

They offer a range of specialist services and a variety of service models that can offer flexible support, choice and freedom to find a constructive way forward.
