

## **18 EAST OF SCOTLAND EUROPEAN CONSORTIUM - FAMILIARISATION VISIT (AN17-2015)**

The East of Scotland European Consortium (ESEC) has arranged a familiarisation visit to Brussels from 2nd to 4th June, 2015 to provide members an opportunity for networking and creating contacts. It would also provide an opportunity for meeting MEP's, and attending sessions of interest at the EU Green Week Environmental Policy Conference.

The Convener, as the Council's representative on the ESEC, has been invited to attend. The ESEC will cover accommodation costs, but travelling costs, amounting to approximately £325, will require to be covered by the City Council, as will subsistence costs.

The Committee's instructions are requested.
