

**5 BROUGHTY FERRY BEACH - PERSONAL WATERCRAFT CHANNEL (AN182-2006)**

At the suggestion of Beautiful Scotland it is proposed to demarcate the personal watercraft channel to the Tay Estuary in connection with the Blue Flag application for Broughty Ferry Beach. This will allow better separation of powercraft and members of the public using the beach. The channel will be located immediately east of the castle towards the Horseshoe Buoy as outlined in their Notice to Mariners. Dundee City Council will supply and lay the marker buoys, anchors and chains.

A quote of £9,610 has been received from a local specialist supplier, Sea and Shore. It is recommended that this quote be approved. This expenditure can be met from the Quality of Life Funding allocated to the Leisure and Communities Department in 2006/07.
