

**7 DUNDEE CITY COUNCIL (RESTRICTED ROADS) (VARIATION) ORDER 2008
(AN188-2008)**

Reference is made to Article IV of the minute of meeting of this Committee of 9th June, 2008 wherein the Committee authorised the preparation of an Order to amend the descriptions of the restricted roads following reclassification of the roads. There is no alteration to the affected lengths of speed restrictions.

The Order refers to the undernoted roads that were previously classified and required an order to enforce the 30 mph speed limit. They have since been made unclassified and therefore have to be removed from the Order. These are:-

Albert Street
Princes Street
Arthurstone Terrace
Dura Street
Kemback Street
Raglan Street
Lyon Street and West Lyon Street.

Dura Street has now been classified and requires to be included in the Order.

The proposed Order was duly drafted and during the statutory consultation period no adverse comments were received.

The Committee is therefore requested to authorise formal publication of the order as drafted.
