

10 SOCIAL INCLUSION PARTNERSHIP FUND 2002/2003 - STOBWELL FACADE ENHANCEMENT (AN212-2003)

It is reported that on 12th February, 2003 the Neighbourhood Resources and Development Department advised the Director of Planning and Transportation that a sum of £12,000 had been made available under the Social Inclusion Partnership Fund 2002/2003 to complement the Planning and Transportation Facade Enhancement Grant Scheme for Stobswell. One request for grant assistance had been received from S. & D. Properties, 140 Albert Street and the Director of Planning and Transportation had recommended the offer of a grant of £1,662.

In view of the short period before the end of the financial year, and the fact that no budget is in place for financial year 2003-2004, approval was given by the Director of Planning and Transportation in consultation with the Convener of the Planning and Transportation Committee and spokesperson for the major and minor opposition groups.

The Committee is asked to note the above.
