

**4 DUNDEE CITY COUNCIL (WALTON STREET, DUNDEE) (STOPPING-UP) ORDER 2004 (AN23-2005)**

Reference is made to Article X of the minute of meeting of this Committee of 28 June 2004 wherein it was agreed to stop up sections of roads and footpaths at Walton Street to facilitate the construction of a new housing development following the demolition of old housing stock.

The Order was duly prepared and advertised in the Dundee Courier and Advertiser and The Edinburgh Gazette, and the relevant statutory undertakers were consulted. One objection was received from Blackness Veterinary Surgery, which was later withdrawn subject to Order being amended with the stopped-up width to be reduced to retain the northern footway, and the length reduced to improve vehicle access. Copy correspondence and plan have been placed in the Committee Lounge, and with Group Secretaries.

The Committee is requested to authorise the amendment to the Order, and to confirm the Stopping Up Order as amended, and authorise formal publication of the confirmation, after which the Order will become operative.
