

2 SCOTTISH FIRE AND RESCUE SERVICE - APPOINTMENT OF LOCAL SENIOR OFFICER (AN24-2015)

As the Committee will be aware, the Police and Fire Reform (Scotland) Act requires that a designated Local Senior Officer for the Scottish Fire and Rescue Service is appointed for each Local Authority area and that the Local Authority is consulted on the appointment. The Local Senior Officer is responsible for producing a local Fire and Rescue Plan, providing information and reports, participating in community planning and receiving feedback on the service. The Chief Officer of the Scottish Fire and Rescue Service wishes to appoint Colin Grieve as the Local Senior Officer for Dundee following Dave Stapley's retirement.

The Committee is recommended to approve Mr Grieve's appointment.
