

6 PUBLIC RELATIONS AND EDUCATION DEPARTMENTS - CHANGES TO STAFFING ESTABLISHMENTS (AN247-2006)

Following consultation between the Head of Public Relations and the Director of Education and as part of an ongoing review of the staffing establishment within the Education Department, a role has been identified for a dedicated Public Relations Officer post. This post will develop and promote communications activities for the department. Following a review of the job description proposed for this post, the Assistant Chief Executive (Management) recommends a grade of PO7-10, £31,845 - £34,260. The post will be part of the Public Relations Department establishment but the postholder will be outposted to the Education Department.

The financial implications of this proposal will be £19,797 (inclusive of employer's costs) in the current financial year and £41,619 in a full financial year, and will be met from the Education Department's revenue estimates.

The Sub-Committee's approval is sought.
