

7(d) EDUCATION DEPARTMENT - ESTABLISHMENT OF POST (AN251-2006)

The refurbishment and extension of St John's High School is due to be completed at the end of September 2006. The project includes a new swimming pool.

This new facility will require the establishment of a new post of Swimming Pool Technician, grade AP1/2, £15,441 - £18,325, to manage the pool plant and water, provide lifeguard facilities and assist with swimming teaching.

The cost of implementing this proposal would be £10,900 in the current financial year and £22,800 in the first full financial year, ie 2007/08. Both figures include employer's costs. This would be met from the Education Department's Revenue Budget.

The Sub-Committee's approval is requested.
