

2. COMMUNITY CENTRES LOCAL MANAGEMENT GROUP CONSTITUTIONS (AN251-2007)

The eight Community Centres across the City operate in partnership with Local Management Groups which are recognised charities and, as such, they are required to comply with OSCR regulations (Office of the Scottish Charities Regulator).

It has been brought to the attention of the Local Management Groups that a minor amendment should be made to section 7.6 of their constitutions in relation to audit requirements. Existing Partnership Agreements between these Groups and Dundee City Council state that Council approval is required for any proposed constitutional change. Approval is therefore sought to agree the following minor amendment to their constitutions.

It is recommended that the wording: *"The Association accounts must be audited or independently examined by ..."* be replaced by: *"The Association accounts must be independently examined by"*

This change will ensure that the Charities are fully OSCR compliant.
