

## **9 LONG STAY OFF-STREET CAR PARKS - CHARGES (AN252-2002)**

The current charges in the long stay car parks permits parking up to 4 hours for a charge of £1.50. For over 6 hours the charge is £4.00. It has been observed that some all day parking is being paid for by purchasing two consecutive 4 hour tickets at a total cost of £3.00, a saving of £1.00 on the normal daily ticket.

In order to correct this anomaly it is proposed to increase the 0-4 hour charge from £1.50 to £2.00 and the Committee's approval is sought to prepare the necessary Traffic Regulation Order to bring this into effect.
