

## **10 TRANSFER OF LAND (AN254-2004)**

### **(a) CHARLESTON ROAD**

The Twa Semi's Youth Project has been selected to be included in a forthcoming BBC Television series The Beechgrove Community Garden Project 2004.

This is due to be filmed on 19th and 20th August, 2004. The Twa Semi's design proposals would enlarge the garden area to incorporate vacant ground currently held on the Housing Revenue Account.

The Project Premises are leased from the Economic Development Department and it is, therefore, proposed that the additional ground required is transferred to that Department's account.

The Committee's approval is requested.

Plans for the above will be displayed in the Councillors Lounge for information.

### **(b) DOUGLAS VILLAGE GREEN**

Following the completion of landscaping works to provide a focal point for the community to use in a variety of ways and to create a meeting place for residents in the area, the Committee is asked to agree that the land be transferred to Dundee Contract Services in order to facilitate a planned maintenance programme and reduce ongoing maintenance costs for the Housing Department.

Plans for the above will be displayed in the Councillors Lounge for information.
