

4 PLAY PARK AWARDS (AN265-2006)

(a) CASTLE GREEN

Castle Green Play Area, Broughty Ferry has won the Children's Play Area category of Local Government News (LGN) Street Design Awards. The refurbished play area comprises part of the Broughty Ferry Masterplan improvements and was completed in June 2005. The Play Area, submitted by the Landscape Design Team, was one of 150 entrants to be judged in this national competition. A small award ceremony took place on 6th July and the scheme will feature in the August issue of LGN.

(b) DUDHOPE

Dudhope Skatepark, which was completed and opened in May 2006 has been shortlisted for a Nancy Ovens Award for Play 2006. The Nancy Ovens Awards recognise and encourage contributions made by individuals, community groups, local authorities and others to the provision of good quality play experiences in outdoor settings. The awards were set up in recognition of the work of Nancy Ovens MBE who was a passionate supporter of play and worked with many groups to address the needs of children and young people.
