

7 SEMINAR - 'SCHOOL BUILDING - DESIGN FOR LEARNING' (AN267-2002)

The above free, one-day seminar, organised by the Scottish Executive, is to be held at the Edinburgh Conference Centre, Heriot Watt University on 12th November 2002. The purpose of this event is "to enable Politicians, Council Officers, Architects, Construction and Finance Professionals to discuss and exchange views on how best users' requirements can be captured and met within the design process".

Instructions are requested as to the attendance of members of the PPP Project Board at this event.
