

(c) TRANSFER OF PHOTOGRAPHIC EQUIPMENT TO DUNDEE CONTEMPORARY ARTS
(AN268-2005)

The Committee is asked to agree to a transfer of the following equipment from Photographers Laboratory, McManus Galleries to Dundee Contemporary Arts:-

MPP 5x4 inch Technical Camera + 90mm lens + 150 mm lens + accessories.

7 5x4 double darkslides.

Manfrotto heavy duty tripod.

Bowens studio lighting kit + accessories.

Enlarging easel.

Ilfolab 1250RC print drier.

Darkroom clock.

2 enlarger timers.

Various size print trays.

Various darkroom sundries.

4 Beehive safelights + 1 sodium.

1 Water filter.

It is recommended that this transfer of equipment takes place to free up storage space within the McManus Galleries prior to redevelopment.

There are no financial implications as this equipment is no longer used and is considered obsolete.
