

4 PLANNING POLICY ADVICE: AIR QUALITY AND LAND USE PLANNING (AN27-2007)

Reference is made to Article II of the minute of meeting of the Planning and Transportation Committee of 8th January 2007 wherein, following consultation, the Committee approved Planning Policy Advice: Air Quality and Land Use Planning as the basis of guidance for planning applications affected by air quality issues and agreed to commend the brief to the Committee as a material consideration for development control purposes.
