

(d) FARES FOR HIRE OF TAXIS – ANNUAL REVIEW (AN28-2019)

It is reported that in terms of the agreed formula the proposed increase using transport indices is 3.27% which brings about the following changes to the tariffs which are recommended for approval. The proposals will have to be advertised and, subject to any public objections or appeal to the Traffic Commissioner, the new scales would take effect from 1st August 2019. The undernoted increases in fares would apply to the initial charge and the mileage rates.

Tariff 1 (daytime) £3.10 increasing to £3.20 and each additional 1/10th of a mile to increase from 16p to 17p

Tariff 2 (weekday evenings) £3.41 increasing to £3.52 and each additional 1/10th of a mile to increase from 17p to 19p

Tariff 3 (weekend evenings) £3.72 increasing to £3.84 and each additional 1/10th of a mile to increase from 19p to 20p

Tariff 4 (festive period) £4.34 increasing to £4.48 and each additional 1/10th of a mile to increase from 22p to 24p
