

3 CLAVERTHOUSE INDUSTRIAL PARK (AN282-2002)

As part of the ongoing service development at Claverhouse Industrial Park, a requirement has been identified to upgrade an electrical substation at a cost of £30,640.

The Director of Finance has confirmed that the expenditure can be met from provisions within the Economic Development Capital Estimates for 2002/03.

Members are asked to approve the foregoing works being instructed through Scottish & Southern Energy plc.
