

**2 CONFERENCE - A SUSTAINABLE SEASIDE? - THE FUTURE OF SCOTLAND'S BEACHES - WEDNESDAY 15TH MAY 2002, MARRYAT HALL, DUNDEE (AN32-2002)**

It is reported that Friends of the Earth Scotland in association with the Council and Clean Coast Scotland will be holding a one day conference on Wednesday 15th May, 2002 in the Marryat Hall, Dundee, which will explore best practice in bathing water and on-shore beach management, including new developments in legislation and practice which will shape the future of Scotland's beaches. The estimated cost will be £80 per person.

The Committee's instructions are requested with regard to the attendance of members.
