

(c) REMEDIAL WORK AT AIRPORT TERMINAL (AN331-2006)

It is proposed to carry out a number of small work projects in relation to disability access, anti-corrosion treatment and the replacement of life expired fixtures and fittings etc.

The Director of Economic Development seeks authority to carry out these works by a number of separate contracts let by competitive quote where possible up to a cost limit of £25,000.

The cost of this project can be accommodated within the overall Airport Capital Expenditure consent for 2006/07 by the virement of resources from other projects of lesser priority.
