

COMPOSITION - DISMISSAL OF TEACHERS SUB COMMITTEE (AN34-2002)

At its meeting on 15th September 1997 (Article VI refers) the Education Committee agreed that a Sub-Committee be established and that the functions of the Council relating to the dismissal of teachers be delegated to it.

The composition at that time was 5 members of the Majority Group, 1 member of the Major Opposition Group, 1 member of the Minor Opposition Group (along with the church representative and 1 teacher representative) as that most accurately reflected the political balance of the Council at the time.

Given the present political balance of the Council it is recommended that the composition be amended to 3 members of the Majority Group, 3 members of the Major Opposition Group, 1 member of the Minor Opposition Group and 1 church representative and 1 teacher representative.

The Committee is asked to approve accordingly.
