

6 GREENMARKET CAR PARKING CHARGES REVISION (AN350-2006)

The car park at Greenmarket is long stay and it is proposed that this be changed to a variable-stay car park using the following revised tariff:

<u>Hour(s)</u>	<u>New Charges</u>
0-2	£1.30
2-3	£2.20
3-4	£3.00
4-5	£3.70
5-6	£4.50
Over 6	£5

These revised charges will be levied by way of a pay on foot (ie pay on exit) format. Payment will be by coins, credit/debit cards and cash with change, hence making it a much more customer friendly facility.
