

**8 COMMUNITIES DEPARTMENT - ALLOCATION OF ADDITIONAL RESOURCES FOR WORK WITH YOUNG PEOPLE - CHANGES TO ESTABLISHMENT (AN370-2004)**

Reference is made to Article ii of the minute of meeting of this Committee of 21 June 2004 wherein Report No 324-2004 Communities Department - Allocation of Additional Resources for work with Young People was approved.

One of the recommendations outlined in this report was the mainstreaming and establishment of a fixed term post of Youth Worker graded Community Education Worker (£17,340 - £22,398) from 1 April 2005.

The Committee is asked to agree that the establishment of this post is brought forward to this financial year, starting in January 2005. This will enable further development work in an area which is under-resourced.

The additional financial implications of this proposal would be £6,862 in the current financial year and can be contained within the additional Youth Work Resources allocated from within the Council's Grant Settlement.
