

## **2 GREENMARKET MULTI STOREY CAR PARK (AN394-2005)**

Reference is made to Article XV of minute of meeting of this Committee of 15th August 2005 when the City Engineer was authorised to negotiate an offer with Raynesway Construction for the advanced water and sewerage diversion works. The City Engineer has negotiated an offer of £144,440.11 and authorisation is sought for the Depute Chief Executive (Support Services) to accept this offer from Raynesway Construction Ltd subject to planning permission being granted.

In addition to the above, allowances for Contingencies and Professional fees of £10,000.00 and £15,000.00 respectively should be made giving an overall cost of £169,440.11.

The Depute Chief Executive (Finance) advises that the cost of these works can be met from allowances within the Planning and Transportation Departments Capital Plan 2005/06.
