

## **9        AMBASSADOR ROUTES - ESPLANADE WEST ENTRY (AN40-2006)**

Reference is made to Article III of the minute of meeting of this Committee of 25th October 2004 when authority was granted to appoint T & N Gilmartin to carry out improvement works to the Riverside Esplanade West Entry.

The main contract works are now complete and further works have been identified to complete the improvements including repairs to the sea wall, lighting, seating, information boards and signage. Authority is sought to extend the contract with T & N Gilmartin to undertake these additional works. The cost of these additional works amounts to £35,000 and will be met from within the Planning and Transportation Department's Capital Budget 2005/06.
