

11 EDUCATION DEPARTMENT - REGRADING OF POST OF STOREMAN/DRIVER SUPERVISOR (AN41-2005)

The Director of Education requested that the post of Storeman/Driver Supervisor (Manual Worker Grade 5, plus chargehand allowance, £12,847) be examined, due to the extensive supervisory role now carried out following the retiral of a supervisor. The remit of the post now covers stores, school meals deliveries and the supervision of vehicles and employees for Special Educational Needs pupil transportation.

Following a review of the duties and responsibilities of the post, the Assistant Chief Executive (Management) recommends that the post should be regraded to AP1, £14,631 - £15,654.

The cost of the proposal would be £200 in the current financial year and £3,400 in a full financial year, both figures being inclusive of employer's costs. These additional costs would be contained within the department's Revenue Budget.

The Committee's approval is requested.
