

4 MORGAN ACADEMY - RESTORATION OF MAIN GATES (AN430-2006)

The Morgan Academy Former Pupil Association (MFPA) has applied to Historic Scotland for funding to assist them to complete the restoration of the main gates at Morgan Academy. In order for the MFPA to secure grant assistance from Historic Scotland it is necessary for them to have a 21 year lease of the land on which the main gates are situated.

It will be necessary for the Depute Chief Executive (Support Services) to negotiate and agree an appropriate land lease at a nominal rent and securing that only the Education Authority will have the right to operate and control the gates.
