

4 MAGDALENE GREEN - NAMING OF LAND (AN445-2005)

The Committee is asked to approve the naming of two pieces of land south of the railway line at Magdalen Green, to the east and west of the pavilion. The names proposed are Buckingham Point for the land to the East and Wills Braes for the land to the West of the pavilion. The names have been selected and proposed by the West End Community Council, following a public consultation exercise within the local community area. Buckingham Point was the name of the former junction box at this location and Wills Braes was the name of the rocky foreshore at Ninewells before the landfill was undertaken
