

12 DUNDEE CITY COUNCIL (SEAGATE/GELLATLY STREET/COMMERCIAL STREET AREA, DUNDEE) (VARIATION OF TRAFFIC REGULATIONS) ORDER 2004 (AN476-2004)

Reference is made to Article X of the minute of meeting of this Committee of 27th January 2003 instructing and authorising the preparation of an Order to introduce more flexible loading arrangements at Seagate/Gellatly Street to ease servicing of adjacent properties, and to adjust the loading facility in Commercial Street near Exchange Street to protect an access.

It is reported that the proposed Order was duly drafted and during the statutory consultation period objections were received from Strathtay Scottish Omnibuses and Travel Dundee, who both maintained their objections. The Planning and Transportation Committee held on 26th April 2004 authorised publication of the Order as drafted, despite the objections (reference Article X).

The Order was duly advertised and there were no further objections.

The Committee is therefore requested to make the Order as advertised.
