

**12 DUNDEE CITY COUNCIL (ROODYARDS BRIDGE/EAST DOCK STREET, DUNDEE)  
(PROHIBITION OF RIGHT HAND TURNS) ORDER 2003 (AN520-2003)**

Reference is made to Article VII of the minute of meeting of this Committee of 30th June 2003 instructing and authorising the preparation of an Order to improve safety by preventing slow moving traffic egressing from Roodyards Bridge from turning right across a single carriageway which has poor sightlines to the east, on a gradient and subject to a speed limit of 40 mph. It will also prevent traffic on East Dock Street waiting in the offside lane to turn right thus obstructing eastbound traffic.

It is reported that the proposed Order was duly drafted and during the statutory consultation period no adverse comments were received. However, the Scottish Executive, as roads authority for East Dock Street, had advised that minor changes be made to the wording of the Order and it is recommended that these be incorporated. Thereafter, the Order was duly advertised and there were no objections.

The Committee is therefore requested to authorise firstly the submission of the Order to the Scottish Executive as roads authority as aforesaid for consent to the making thereof and secondly to thereafter make the Order should said consent be given.
