

## **2 CAIRD HALL - EXTERNAL LIGHT FITTINGS (AN53-2004)**

It is proposed to replace the external light fittings to the front of the Caird Hall as it is proving increasingly difficult to maintain the existing fittings.

The fittings will be replaced with flush fitting low energy type.

The cost of these works are as follows:-

Dundee Contract Services	£6,685
Support Services Fees	<u>£1,115</u>
TOTAL	<u>£7,800</u>

The schedule of rates was used for the costings.

The Depute Chief Executive (Finance) has confirmed that this expenditure can be met from the allowance contained within the Corporate Health & Safety Budget 2003/2004.

Approval is sought to appoint Dundee Contract Services to carry out these works.
