

### **3 SAFE ZONE DUNDEE (AN7-2014)**

The Committee is asked to approve a Community Safety Award of £3,000 to Tayside Council on Alcohol, as a contribution to the running costs for the Safe Zone Bus. The Bus aims to provide a modern and comprehensive place of safety that meets the needs of any person whose well-being is threatened by the inability to get home safely due to alcohol misuse, emotional distress or any other risk of vulnerability. The service will be accessed at a central point in Dundee City Centre on Friday and Saturday nights. The cost of this award will be met in full through the Community Safety Partnership's Local Action Fund.
