

9 GRANTING OF SECTION 18 LICENCE UNDER THE COAST PROTECTION ACT 1949 TO CATCHMENT TAY LIMITED FOR EMERGENCY SEWER REPAIR WORKS ON FORESHORE AT DOUGLAS TERRACE (AN85-2009)

The Dundee City Council (Dundee Seashore - Prohibition of Excavation and Removal of Materials) Order 1999 requires a licence to be granted by Dundee City Council, as Coast Protection Authority, under Section 18 of the Coast Protection Act 1949 for excavation or removal of any materials on, under or forming part of any portion of the seashore.

Catchment Tay Ltd notified the City Engineer that they required to undertake emergency repair works to the existing sewer on the foreshore at Douglas Terrace. The repair works involved excavation of an area of the foreshore.

Given the emergency nature of the works, the City Engineer granted a license and the repair works were completed between 14th and 31st March, 2009.

Committee is asked to note the foregoing for information.
