

7 RECYCLING AND DISPOSAL OF CYCLONE AND FILTER ASH (AN91-2009)

Reference is made to Article VI of the Environmental Services and Sustainability Committee of 18th April, 2005 when the contract for the recycling and disposal of cyclone and filter ash was awarded to William Tracey Ltd for a four year period.

This contract ends on 30th April, 2009 and an extension agreement has been drawn up to continue this service for a one year period.

The following prices were quoted by William Tracey Ltd: -

Ash Type	Method of Disposal	Rate per tonne
Cyclone	Recycling by Tayside Contracts	Single Load £500
	Treatment/recycling by Wm Tracey Ltd	£75
	Treatment/disposal by Wm Tracey Ltd	£102
Filter	Recycling by Tayside Contracts	Single Load £500
	Treatment/recycling by Wm Tracey Ltd	£100
	Treatment/disposal by Wm Tracey Ltd	£142

NB Rate per tonne includes £40 per tonne landfill tax where applicable.

It is recommended that the Committee accept this extension agreement from William Tracey Ltd.
