

17 DUNDEE CITY COUNCIL (ALBERT STREET, DUNDEE) (TRAFFIC MANAGEMENT SCHEME) ORDER 2002 (AN92-2002)

Reference is made to item 5 of the minute of meeting of the Planning and Transportation Committee held on 29th October, 2001 instructing and authorising the preparation of an Order introducing further measures to:-

- (a) Improve safety by reducing the volume of unnecessary through traffic in Albert Street.
- (b) Improve facilities in the shopping area and to enhance walking, cycling and public transport use.
- (c) To increase the number of short-term parking spaces near the shops.
- (d) To improve safety at the Forfar Road/Albert Street/Dura Street/Pitkerro Road junction by introducing traffic signal control and realigning the junction and closing a section of Mains Loan.
- (e) To improve penetration for local traffic in Albert Street by allowing two-way traffic over its entire length.

The proposed Order was duly drafted and during the statutory consultation period no adverse comments were received. However, an objection was received before consultation began, and a copy of the correspondence has been placed in the members' lounge and with the group secretaries.

The Committee is requested to authorise publication of the Order as drafted.
