

**22 DUNDEE CITY COUNCIL (NORTH EAST CORRIDOR) (VARIATION OF TRAFFIC REGULATIONS) ORDER 2002 (AN97-2002)**

Reference is made to Item 7 of the minute of meeting of the Planning and Transportation Committee held on 26th March, 2001 instructing and authorising the preparation of an Order to facilitate public transport priorities following the construction of Lower Princes Street between Princes Street and Blackscroft.

The proposed Order was duly drafted and during the statutory consultation period no adverse comments were received. However, we were contacted by CTC Right to Ride Network and after discussions with them it is proposed that an advisory cycle lane be provided from Arbroath Road via Victoria Street, Crescent Street and the by-passed section of Princes Street. This will require an amendment to the Tayside Region (Crescent Street, Dundee) (Prohibition of Driving) Order 1988 to include an exemption for cyclists. As cycle lanes are advisory they do not appear in the Order.

The Committee is requested to authorise formal publication of the order as amended, to include the variation to the said The Tayside Region (Crescent Street, Dundee) (Prohibition of Driving) Order 1988.
