

REPORT TO: DSO COMMITTEE 16th APRIL 2001

REPORT ON: ECPD VEHICLE REPLACEMENTS 2001/2002

REPORT BY: DIRECTOR OF ECPD

REPORT NO: 223-2001

1. PURPOSE

- 1.1 To authorise leasing arrangements for 2 replacement refuse collection vehicles, 2 replacement hookloader vehicles, 3 replacement road sweeping vehicles, 4 replacement tippers and 4 replacement 3.5tonne vans.

2. RECOMMENDATIONS

- 2.1 It is recommended that the committee accept the offers from the suppliers detailed below (as per the attached synopsis of tenders).

2 - Refuse Collection Vehicles	- John R Weir, Kingsway West, Dundee
2 - Hookloaders	- Reliable Vehicles, Clyde St, Renfrew
3 - Sweeping Vehicles	- Johnston Eng. Curtis Rd, Dorking.
4 – 7.5t Tippers	- Eastern Trucks Ltd, Maryfield, Dundee
2 - 3.5t Box Vans	- G Mutch, Shore Rd, Perth
1 - 3.5t Pick Up	- G Mutch, Shore Rd, Perth
1 – 3.5t Tipper	- G Mutch, Shore Rd, Perth

3. FINANCIAL IMPLICATIONS

- 3.1 The total annual leasing costs for the 15 vehicles is estimated at £120,981 for the next six years. The refuse collection vehicles are to be leased over seven years.
- 3.2 Provision has been made in the 2001/2002 DSO Revenue Budgets for this expenditure.
- 3.3 These costs are summarised as follows:

<u>Type</u>		<u>Estimated Annual Lease Fee</u>	<u>Term</u>
Refuse Collection Vehicles	(2)	£34,554	7 Years
Hookloaders	(2)	£28,967	6 Years
Sweeping Machines	(3)	£28,808	6 Years
7.5t Tippers	(4)	£17,192	6 Years

3.5t Box Vans	(2)	£6,068	6 Years
1.5t Pick Up	(1)	£2,696	6 Years
1.5t Tipper	(1)	£2,696	6 Years
Totals :	(15)	£120,981	

4. LOCAL AGENDA 21 IMPLICATIONS

- 4.1 Pollution is limited to levels with which the natural systems can cope by the introduction of using gas-powered vehicles.

5. EQUAL OPPORTUNITIES

- 5.1 Under Local Government Act 1988, suppliers were required to complete and return a questionnaire to ensure that their business complies fully with the Race Relations Act 1976. All companies listed comply fully with the Act.

6. MAIN TEXT

- 6.1 The Environmental & Consumer Protection Department require to renew a number of vehicles which are beyond economic repair.
- 6.2 Dundee City Council went out to tender in October 2000 to seek the best environmentally and cost effective vehicle replacement types. Attached is a summary of the tender returns.
- 6.3 The Environmental & Consumer Protection department will also introduce four further gas-powered vehicles as part of its ongoing policy for the use of clean vehicles.
- 6.4 The refuse collection vehicles recommended for purchase from John R weir, Dundee are identical to a vehicle which was introduced earlier this year, (Mercedes / Norba / Otto). This vehicle has proved very effective on wheelie bin routes and can also be used on trade collections. The chassis cab provides a very safe workplace for the operators with a low height cab and full height door. The bin lifter has also proved very effective with very few instances of bin slip.
- 6.5 The hookloader vehicles recommended for purchase from Reliable Vehicles, Renfrew are compatible with the other vehicles in the container waste collection fleet (Scania / PDE). These vehicles have proved very robust, have minimal breakdowns and return a very favourable running cost.

- 6.6 The 7.5 tonne mechanical road sweeping vehicles recommended for purchase from Johnston Engineering, Dorking (Isuzu / Johnston) are identical to a vehicle introduced into service in autumn 1999. This vehicle has proved very reliable. The vehicles recommended are the lowest priced and have the best delivery time.
- 6.7 The 7.5 tonne tippers recommended for purchase are a new type to the fleet but are compatible with the mechanical sweeper chassis. The vehicles recommended are competitively priced and have the best delivery time.
- 6.8 The four 3.5 tonne vehicles (2 box vans, 1 tipper, 1 pick up) are all LDV Convoys supplied by G Mutch, Perth. These vehicles are the most competitively priced and are compatible with the existing sized vehicles within the fleet.

These vehicles are also to be supplied for running on LPG and can be purchased direct in this form (no engine conversion is necessary).

The introduction of these vehicles is a further stage in the Environmental & Consumer Protection Departments policy on using clean fuel vehicles.

7. CONSULTATION

- 7.1 The Chief Executive, Director of Finance and Director of Support Services have been consulted in the preparation of this report.

8. BACKGROUND PAPERS

- 8.1 No background papers as defined by section 50D of the Local Government (Scotland) Act 1973 (other than any containing confidential or exempt information) were relied on to any material extent in preparing this report.

9.0 SIGNATURE

Director of Environmental and Consumer Protection
