

**REPORT TO: POLICY AND RESOURCES COMMITTEE - 11 JUNE 2007**

**REPORT ON: COMMUNITY REGENERATION FUND ALLOCATION OF RESOURCES  
2007/2008**

**REPORT BY: ASSISTANT CHIEF EXECUTIVE (COMMUNITY PLANNING)/DIRECTOR OF  
LEISURE AND COMMUNITIES**

**REPORT NO: 318-2007**

**1. PURPOSE OF REPORT**

- 1.1 This report details the Community Regeneration Funding available to the Dundee Partnership for 2005-8 and makes recommendations on allocation to projects.

**2. RECOMMENDATIONS**

It is recommended that the Committee:

- 2.1 Notes the process for allocating funding through Local Community Regeneration Forums as agreed by the Dundee Partnership.
- 2.2 Endorses the funding proposals contained in Section 8 of this report.

**3. FINANCIAL IMPLICATIONS**

- 3.1 This report recommends the allocation of £81,038 from the Community Regeneration Fund for 2006/7. Further detail is presented in Section 8 and Appendix A.
- 3.2 Dundee City Council has agreed to act as the accountable body for the Community Regeneration Fund on behalf of the Dundee Partnership (Committee Report 743-2004). There are no direct financial implications for Dundee City Council arising from this report.

**4. SUSTAINABILITY POLICY IMPLICATIONS**

- 4.1 There is a close relationship between the Council's anti-poverty targets and the focus of the Community Regeneration Programme. The revenue expenditure proposals contained within this report are intended to meet local needs. The proposals also seek to assist with implementation of the Dundee Partnership's Community Regeneration Strategy; as such the measures contained in this report will address numerous anti-poverty priorities.
- 4.2 This report does not require any additional action in relation to Strategic Environmental Assessment.

**5. EQUAL OPPORTUNITIES IMPLICATIONS**

- 5.1 The resources made available through the Community Regeneration Fund for geographic neighbourhoods are targeted on those areas which fall within the most disadvantaged 15% of datazone in the 2004 Scottish Index for Multiple Deprivation. The funding made available is intended to have the effect of equalling opportunities.

**6. BACKGROUND**

- 6.1 In 2004 the Minister for Communities announced the establishment of a new £104 million Community Regeneration Fund (CRF). The CRF replaced the existing Social Inclusion Partnership (SIP) and Better Neighbourhood Services Fund (BNSF) programmes.
- 6.2 Community Regeneration Funding is expected to be targeted at the most deprived 15% of areas of Dundee as identified by the Scottish Index of Multiple Deprivation 2004. There are 51 such areas in Dundee with a population of approximately 40,000. These areas have been collected into five clusters across the city which are defined as Community Regeneration Areas. (see Committee Report 743-2004)

## 7. **MANAGING THE COMMUNITY REGENERATION FUND**

- 7.1 Procedures for allocating the Community Regeneration Fund were approved by Policy and Resources Committee in December 2004 (Committee Report 743-2004). In summary the key decisions were:
- a) Dundee City Council will act as accountable body reporting to the Dundee Partnership.
  - b) The overall responsibility for decisions on the Community Regeneration Fund will be taken formally by the Dundee Partnership Management Group.
  - c) Allocations to local priorities will be made by Local Community Regeneration Forums utilising devolved budgets. The local allocation process is detailed below.

1. Dundee Partnership invites applications for CRF through extensive network of stakeholders and organisations. The application form and guidance notes give explicit directions regarding match to outcomes and clear, measurable outputs.
2. Applications are screened by the CRF Co-ordinator, Regeneration staff and partner agencies to ensure match to outcomes, strategic fit, value for money and focus on Community Regeneration Areas or thematic priority groups. Applications will either be rejected at this stage or endorsed by Building Stronger Communities Group.
3. Satisfactory applications are passed to Local Community Regeneration Forums for consideration. Greater scrutiny is applied to match with local needs and local community plans. Further opinion is sought from wider communities before decisions taken and recommended to Dundee Partnership.
4. Recommendations from LCRF's endorsed formally by Dundee Partnership.
5. Allocations reported to Policy and Resources Committee of Dundee City Council as accountable body.
6. Offer of Grant made to projects.
7. Monitoring and Evaluation initiated.

- 7.2 Dundee was allocated £17.367 million over 3 years. Taking into account previous decisions, £524,326 is available for Community Regeneration Forums to allocate in 2007/8.
