4.0 MAIN TEXT

4.1 The Prince's Trust is a charitable organisation which has taken over the local organisation formally referred to as Fairbridge. Fairbridge has provided a service to young people from Dundee schools over a period of 12 years and will continue to do so under the banner of The Prince's Trust Fairbridge Programme. Fairbridge enables young people from inner cities to develop as responsible citizens by offering them a long-term personal development programme that builds confidence, motivation and personal, social and life skills.

The high level of support provided by the Fairbridge programme helps young people address their social, emotional and behavioural needs as well as giving them the opportunity to address other barriers to learning that they might have. The level of individualisation provided by Fairbridge in delivering services to young people with meaningful activities and clear goals is central to the programme's success.

4.2 The Education Department included Fairbridge in its review of SEBN (Social Emotional & Behavioural Needs) provision, which reported in January 2014. The findings and recommendations from the review follow.

4.3 From April 2012-March 2013 the Fairbridge programme provided support to 79 young people aged 13-15 who, to varying degrees, are disengaged with education and have multiple support needs including those of a social, emotional and behavioural nature. Of the 79 young people, 82% successfully completed the intensive Access course and 87% of this group chose to participate in additional development sessions with Fairbridge. These young people have attended programmes developing skills in the following key areas:

- learning skills
- independent living
- employability skills
- community and recreation.

Within this group of young people:

- 50 achieved one or more positive outcome:
- 30 young people re-engaged with school
- 25 young people gained a qualification or award
- 11 young people progressed to a second step development programme.

The remaining young people continued to actively engage with the Fairbridge programme.

- 4.4 The Education Department is keen to provide support to Fairbridge to enable them to continue to work with young people in the Dundee area. Experience has shown the young people tend to have diverse needs including disabilities ranging from ADHD, diabetes, asthma, behavioural capacity, visual impairment, mental health and bereavement and loss.
- 4.5 This funding will allow Fairbridge to continue to support young people who attend a recognised programme which will assist them to develop a better understanding of their debilitating issues. It will also enable them and their families to view education in a positive light and achieve positive outcomes for their futures.
- 4.6 A Service Level Agreement, as recommended by the SEBN Review, is in development with Fairbridge.

- 5.1 This Report has been screened for any policy implications in respect of Sustainability, Strategic Environmental Assessment, Anti-Poverty, Equality Impact Assessment and Risk Management. An Equality Impact Assessment has been carried out and is attached to this report.
