

**REPORT TO: DSO COMMITTEE 13<sup>th</sup> MAY 2002**

**REPORT ON: ENVIRONMENTAL AND CONSUMER PROTECTION DEPARTMENT  
VEHICLE REPLACEMENTS 2002/2003**

**REPORT BY: DIRECTOR OF ENVIRONMENTAL AND CONSUMER PROTECTION**

**REPORT NO: 449-2002**

## **1. PURPOSE**

- 1.1 To authorise leasing arrangements for two replacement refuse collection vehicles, one compact refuse collection vehicle, two replacement hookloader vehicles, one 7.5 tonne tipper, two replacement compact sweeping vehicles, one replacement 3.5 tonne box van and one replacement 3.5 tonne tipper.

## **2. RECOMMENDATIONS**

- 2.1 It is recommended that the committee accept the offers from the suppliers detailed below (as per the attached synopsis of tenders).

<b>2 - Refuse Collection Vehicles -</b>	<b>Geesink Norba Ltd, Pontyclun</b>
<b>1 - Compact Refuse Vehicle</b>	<b>CP Davidson &amp; Sons Ltd, Chorley</b>
<b>2 - Hookloaders</b>	<b>Reliable Vehicles, Clyde St, Renfrew</b>
<b>1 - 7.5t Tipper</b>	<b>ERF Grampian, Aberdeen</b>
<b>2 - Compact Sweeping Vehicles</b>	<b>Schmidt UK Ltd, Peterborough</b>
<b>1 - 3.5t Box Van</b>	<b>G Mutch, Shore Rd, Perth</b>
<b>1 - 3.5t Pick Up</b>	<b>G Mutch, Shore Rd, Perth</b>

## **3. FINANCIAL IMPLICATIONS**

- 3.1 The total annual leasing costs for the 10 vehicles is estimated at £102,789 for the next six years. The refuse collection vehicles are to be leased over seven years. Provision has been made in the 2002/2003 ECPD Cleansing DSO Revenue Budget for this expenditure.
- 3.2 These costs are summarised as follows:

<u>Type</u>		<u>Estimated Annual Lease Fee</u>	<u>Term</u>
Refuse Collection Vehicles	(2)	£34,992	7 Years
Compact Refuse Vehicle	(1)	£13,319	7 Years
Hookloaders	(2)	£27,956	6 Years
Sweeping Machines	(2)	£16,571	6 Years
7.5t Tippers	(1)	£4,187	6 Years
3.5t Box Vans	(1)	£3,054	6 Years
3.5t Tipper	(1)	£2,710	6 Years
Totals :	(10)	£102,789	

## **4. LOCAL AGENDA 21 IMPLICATIONS**

- 4.1 Pollution is limited to levels with which the natural systems can cope by the further use of gas-powered vehicles.

## **5. EQUAL OPPORTUNITIES**

- 5.1 Under Local Government Act 1988, suppliers were required to complete and return a questionnaire to ensure that their business complies fully with the Race Relations Act 1976. All companies listed comply fully with the Act.

## **6. MAIN TEXT**

- 6.1 The Environmental & Consumer Protection Department require to renew a number of vehicles which are beyond economic repair.
- 6.2 Dundee City Council went out to tender in November 2001 to seek the best environmentally and cost effective vehicle replacement types. Attached is a summary of the tender returns.
- 6.3 The Environmental & Consumer Protection Department will also introduce two further gas-powered vehicles as part of its ongoing policy for the use of clean vehicles.
- 6.4 The refuse collection vehicles recommended for purchase from Geesink Norba Ltd Pontyclun are identical to three vehicles which were introduced in 2001, (Mercedes / Norba / Otto). This vehicle has proved very effective on wheelie bin routes and can also be used on trade collections. The chassis cab provides a very safe workplace for the operators with a low height cab and full height door. The bin lifter has also proved very effective with very few instances of bin slip.
- 6.5 The hookloader vehicles recommended for purchase from Reliable Vehicles, Renfrew are compatible with the other vehicles in the container waste collection fleet (Scania / PDE). These vehicles have proved very robust, have minimal breakdowns and return a very favourable running cost. These vehicles are the only ones priced with fully automatic transmission. The absence of a clutch in a vehicle on this type of work provides no lost production or parts replacements due to clutch wear.
- 6.6 The 4 tonne compact mechanical road sweeping vehicles recommended for purchase from Schmidt UK are an improved version of the existing type of compact sweepers currently in the fleet. These vehicles have proved reliable and are compatible for spares and servicing expertise with the other sweeping machines.
- 6.7 The 7.5 tonne tipper recommended for purchase is compatible with the other tippers in the fleet of this category. The vehicles recommended are competitively priced and have the best delivery time.
- 6.8 The two 3.5 tonne vehicles (1 box vans & 1 tipper) are both LDV Convoys supplied by G Mutch, Perth. These vehicles are the most competitively priced and are compatible with the existing sized vehicles within the fleet.

These vehicles are also to be supplied for running on LPG and can be purchased direct in this form (no engine conversion is necessary).

The introduction of these vehicles is a further stage in the Environmental & Consumer Protection Departments policy on using clean fuel vehicles.

**7. CONSULTATION**

7.1 The Chief Executive, Director of Finance and Director of Support Services have been consulted in the preparation of this report.

**8. BACKGROUND PAPERS**

8.1 No background papers as defined by section 50D of the Local Government (Scotland) Act 1973 (other than any containing confidential or exempt information) were relied on to any material extent in preparing this report.

**9.0 SIGNATURE**
