

REPORT TO: FINANCE COMMITTEE – 11 SEPTEMBER 2000

REPORT ON: CAPITAL EXPENDITURE MONITORING 2000/01

REPORT BY: DIRECTOR OF FINANCE

REPORT NO: 531-2000

1 PURPOSE OF REPORT

- 1.1 To appraise Elected Members of the latest position regarding the Council's Capital Expenditure programme for 2000/01.

2 RECOMMENDATION

- 2.1 It is recommended that the Committee note the latest position regarding the Council's Capital Expenditure programme for 2000/01.

3 FINANCIAL IMPLICATIONS

- 3.1 This report shows the spend on capital projects to 31 July 2000 compared with the latest outturn on capital expenditure for 2000/01. The spend to 31 July 2000 is £3.685m which is 35% of the projected capital expenditure in 2000/01 of £10.474m.
- 3.2 The bulk of the Council's Capital Expenditure in 2000/01 will be financed by borrowing and, as such, will result in Finance Charges being incurred over the estimated useful life of the assets concerned. Appropriate provision has been included in the Council's approved Revenue Budgets for 2000/01 and will also be included in future years' Revenue Budgets.

4 LOCAL AGENDA 21 IMPLICATIONS

None.

5 EQUAL OPPORTUNITIES IMPLICATIONS

None.

6 BACKGROUND

- 6.1 The Policy & Resources Committee, at its meeting on 12 June 2000 approved the 2000/01 Capital Budget for Housing HRA (Report No 368/2000) and the Special Policy & Resources Committee, at its meeting on 19 June 2000 approved the 2000/01 Capital Budget for General Services (Report No 410/2000).

7 CURRENT POSITION

- 7.1 The Director of Finance and the City Architectural Services Officer, in conjunction with the other Chief Officers of the Council, are closely monitoring the 2000/01 capital programme. The latest projections of capital expenditure and resources as compared with the provisions included in the approved Capital Budget, are shown in the Appendix to this report. The

Appendix also shows the actual capital expenditure incurred compared with the phased budgeted level of expenditure to 31 July 2000. The Appendix is split into four separate sections, viz:

Section A

Those departments/services which are subject to the single Scottish Executive Capital Allocation.

Section B

Those departments/services which are subject to specific Scottish Executive Capital Allocations.

Section C

Those departments/services which are subject to the Scottish Executive Housing HRA Capital Allocation.

Section D

Projected Expenditure and Resources for financing the New Housing Partnership (Regeneration of Ardler).

8 DEPARTMENTS/SERVICES SUBJECT TO SINGLE SCOTTISH EXECUTIVE CAPITAL ALLOCATION

- 8.1 The latest projection of capital expenditure of £10.474m is £167,000 higher than the approved capital budget of £10.307m. The main reasons for this are:-
- i Additional Supplementary Consent from the Scottish Executive, for Safer Routes to Schools (Planning & Transportation) of £145,000, and Air Quality Monitoring Equipment (Environmental & Consumer Protection) of £32,000.

9 DEPARTMENTS/SERVICES SUBJECT TO SPECIFIC SCOTTISH EXECUTIVE ALLOCATIONS

- 9.1 Capital expenditure on these services is subject to specific "ring-fenced" capital allocations, which are issued on a project by project basis by the Scottish Executive following approval by the appropriate Government Department. Based on latest estimates, expenditure is projected to be within the budget provision for Public Transport Fund, Dundee Airport and Social Inclusion Partnerships.

10 DEPARTMENTS/SERVICES SUBJECT TO SCOTTISH EXECUTIVE HOUSING HRA ALLOCATION

- 10.1 The latest projection of capital expenditure of £10.585m is £172,000 lower than the original budget provision, due to heating replacement tenders being lower than anticipated.
- 10.2 The latest projection of capital resources is £9.621m which is £194,000 higher than the original budget due to receipts from Council House sales being higher than anticipated, and the actual carry forward of unutilised resources in 1999/2000 into 2000/01, being greater than previously anticipated.

- 10.3 Based on the latest projections, capital expenditure is now projected at 110% of projected capital resources. It is anticipated that slippage in the heating programme will ensure that expenditure is within the limits laid down by the Scottish Executive.

11 NEW HOUSING PARTNERSHIP (ARDLER REGENERATION PROGRAMME 2000/01)

11,1 The latest projection of capital expenditure is £1.990m. This expenditure will be financed from a capital allocation for the Scottish Executive and Capital Receipts. Effective monitoring controls should ensure that there is no deficit at the year end.

12 CONSULTATION

12.1 The Director of Housing and Director of Support Services have been consulted in the preparation of this report.

**DAVID K DORWARD
DIRECTOR OF FINANCE**

BACKGROUND PAPERS

No background papers, as defined by Section 50D of the Local Government (Scotland) Act 1973 (other than any containing confidential or exempt information) were relied on to any material extent in preparing the above Report.
