3.0 FINANCIAL IMPLICATIONS

- 3.1 The equipment will be leased over eight years.
- 3.2 The total annual leasing rental for the nineteen items and sets of equipment is estimated at £21328 and provision for expenditure will be included in future years' Environmental and Consumer Protection Department's Revenue budgets.

4.0 LOCAL AGENDA 21 IMPLICATIONS

- 4.1 Health is protected by creating a safe clean pleasant environment.
- 4.2 Pollution is limited to levels with which the natural systems can cope.

5.0 EQUAL OPPORTUNITIES

- 5.1 Under Local Government Act 1988, suppliers were required to complete and return a questionnaire to ensure that their business complies fully with the Race Relations Act 1976. All companies listed comply fully with the Act.

6.0 MAIN TEXT

- 6.1 A new workshop facility is currently under construction for the the Environmental & Consumer Protection Department. The facility is due to be completed and in service by January 2002.
- 6.2 The facility will employ modern day workshop practices and most of the out dated equipment from the existing workshop will require replacing.
- 6.3 A wide range of workshop equipment is required to cover the statutory Road Worthiness Inspections, servicing, repairs & maintenance, painting, blacksmiths and tyre repairs. Details of the equipment are listed in the attached summary.
- 6.4 Dundee City Council went out to tender in June 2001 to seek the best and most cost effective equipment types. Attached is a summary of the tender returns.
